Dear colleagues,

We are pleased to present you the information of the 5th International Glaucoma Symposium, that will be held in Mainz, Sep 4th and 5th, 2020.
This year Childhood Glaucoma is one of our main topics. We were able to recruit international glaucoma specialists on childhood glaucoma. They will share their knowledge and experience with us.
We furthermore, will have the opportunity to provide wetlabs in glaucoma surgery. You will be able to perform several different surgical techniques in animal and artificial eyes.
A poster presentation is planned, including posterwalk and Best Poster of the Day nomination.
Video sessions and presentation of challenging glaucoma cases will finish the conference.

We hope you will enjoy a great meeting in Mainz.
